

## FMK Leadership Team Expands with Four New Firm Associates

FMK Architects is pleased to announce that Shea Haney, Peter Rivera, Brie Carlson, and Will Allen have joined our leadership as associates. These four individuals have strengthened FMK's team for a number of years and embody the firm's Craft-Solutions approach to the profession. They have contributed to the growth of the firm and excel at client service, team leadership, and project management.

We are excited to share this news and look forward to their continued growth as part of the leadership of the firm. We hope you will join us in congratulating them on their accomplishment and a continued commitment to our clients.
